North Texas PGA Awards Selection Committee:

Jacob Longoria was a member of my team for two seasons (2017-2018) at Cherry Hills Country Club. During his time here Jacob quickly developed into an outstanding seasonal assistant golf professional. He was someone I trusted and could depend on to make the correct decisions when needed.

Jacob had a great rapport with the Cherry Hills' membership and his fellow co-workers. He was conscientious, honest, hardworking, reliable, resourceful and always eager to learn.

Jacob was a great addition to our operation and when he left for his full-time position at Northwood, I was confident he would do an outstanding job for their membership. Jacob has a very bright future in the business and it is going to be fun to see all the great things he does and achieves. I highly recommend Jacob for the "Assistant of the Year" award in the North Texas Section

Sincerely,

John D. Ogden
